

Tolson Welcomes Tigerfest '08

Jim Tolson MSP submitted a Motion to the Scottish Parliament yesterday welcoming the alternative music festival Tigerfest '08.

Jim said "This is good news for Fife! This music festival is bringing over forty bands to venues across Scotland throughout the month of May. Tigerfest '08 is based in the Carnegie Hall in Dunfermline. I wish all the participants well and I'm sure that the festival will be a great success. "
