

Tolson Welcomes Euroquiz Final

Jim Tolson MSP for Dunfermline West attended the Scottish European Trust Euroquiz Final for Primary 6 pupils in the Scottish Parliament today.

Jim Tolson said “Crossford Primary School, as the winners of the Fife heat, competed in the final in the Debating Chamber of the Parliament. I was delighted to see one of the schools from the Dunfermline area in the final. The pupils performed very well and are a great credit to their parents and teachers. It was an honour to see the children take part in the competition.

The standard of knowledge of Europe and the European Union was excellent across all the teams in the national final. “
