

Tolson Tables Motion Congratulating Local Team

Jim Tolson MSP for Dunfermline West attended the finals of the over-14s East of Scotland Midnight League at Tynecastle Stadium in Edinburgh on 14 May 2008. Jim Tolson cheered on local Midnight League football team, the Woodmill Rovers, as they won the final. Following their success, Jim Tolson MSP submitted a Motion to the Scottish Parliament congratulating the local team on their success.

Jim said "I was delighted to see that a local 5-a-side team had reached the finals at Tynecastle Stadium and even more so, when they won the competition. The Midnight League 5-a-side community football programme targets 12 to 16 year olds and has proved a great success across Scotland. "
