

| Top Performance in Cycling Provision

Jim Tolson MSP submitted a Motion to the Scottish Parliament congratulating Fife Council for coming top in performance in the National Assessment of Cycling Provision for the second year.

Jim said “This is excellent news. Fife Council has done an excellent job in promoting cycling throughout the Kingdom as part of the package of sustainable travel measures and a healthy outdoor activity. Fife has retained the title for the best performing council in Scotland with a score of 71% against the required strategy.”
