Tolson - Improving road safety for horse riders

Jim Tolson MSP for Dunfermline West was contacted by a number of constituents regarding road safety issues particularly, for horse riders in Backmuir of Pitfirrane area/Lundin Road. Jim Tolson recently met on site with Fife Council Transportation Service, and one of the horse riders to discuss their concerns.

Jim commented "I initially met several residents concerned by the fast moving traffic in the area. Following the subsequent site visit, I was very pleased to hear that Fife Council has agreed that action is needed to prevent any more accidents on this stretch of road. They are proposing to erect signs warning drivers to be aware of horses between the A907 and the access to the Dean Plantation. The high visibility yellow signs should be erected during April or May this year."
