Woodmill High School – going for Gold!

Woodmill High School pupils will be receiving Duke of Edinburgh Awards and First Aid Certificates at a presentation ceremony on Tuesday evening.

Jim commented “I was delighted to be asked to present these awards to Woodmill High School pupils.

I understand that some of pupils who I met last year at the school’s Awards Ceremony have receiving their gold awards this year. In fact, it is the first time that gold Duke of Edinburgh Awards have been awarded to Woodmill pupils who have worked for the award through the school.

All the pupils have worked very hard for these awards and it is a great achievement for both pupils and the school.”
