**'Dunfermline Delivers' to promote Dunfermline at Expo**

A new group, 'Dunfermline Delivers' supporting Dunfermline tourism initiatives has applied to promote Dunfermline at the forth-coming tourism exhibition at the SEC in Glasgow.

Jim Tolson MSP for Dunfermline said, "I wish them well with this initiative and hope that it is successful. Dunfermline has much to offer the tourist to Fife. At the moment there is no one group co-ordinating Dunfermline tourist activity. We have Royal Dunfermline, Town Centre Management Company and Fife Council, all of which have a role to play but perhaps 'Dunfermline Delivers' will be able to work together and with Visit Scotland. I wish them every success in the future and will support them in any way I can"
