**Dunfermline MSYPs in the High Street**

Claire Ewing and Keith Cordrey, Dunfermline Members of the Scottish Youth Parliament ran their youth advice surgery in the High Street, Dunfermline last Saturday morning assisted by Jim Tolson MSP for Dunfermline West.

Jim commented "Claire Ewing and Keith Cordrey are the representatives for this area and were keen to run another youth advice surgery following the successful trial one last year. They spent an hour on the High Street near McDonalds and M&S talking to people about their issues and concerns. I am very happy to support Claire and Keith in their endeavours."

Claire commented "It's great being an MSYP for Dunfermline West and I love every second - especially out and about Dunfermline hearing the voices of the young people."
