Tolson welcomes Dunfermline Shopmobility

Dunfermline Shopmobility will be opening on Friday 15 May 2009. The facility is located in the Kingsgate Centre car park and will improve access to the shops in the area.

Jim commented "I first became involved with Fife Shopmobility as a local councillor a number of years ago. There are Shopmobility services at Glenrothes and Kirkcaldy, and we have been seeking a similar service in Dunfermline. After many years of trying and a few false starts, Shopmobility will open its doors in Dunfermline on Friday 15 May.

I have been given the honour of performing the official opening ceremony which will lead to disabled and infirm local residents being able to access shops in the Kingsgate, High Street and surrounding areas with 'free to use' electric scooters and wheelchairs."
