**Two Capitals Cycle Ride**

The Two Capitals Cycle Ride between Edinburgh and Dunfermline will take place on Sunday 21<sup>st</sup> June 2009. Jim Tolson MSP will accompany the Lord Provost of Edinburgh, George Grubb, at the start of the ride from the Glen.

Jim commented "I would like to welcome the cyclists again to Fife and I am particularly pleased to be there to meet the participants at the start of the journey. This is not a race but a chance for people to get out on their bikes for the day, either for the full distance or for part of the route."
