**Dunfermline disappointed again!**

On Friday 13 November, the outcome of the Scottish Government's Town Centre Regeneration Fund was announced.

Jim Tolson MSP for Dunfermline West commented "I'm very disappointed that the bid for Dunfermline's town centre has not been selected in the second tranche of funding from the 'Scottish Government's Town Centre Regeneration Fund'.

Dunfermline needs much more investment in the centre – it is a city with a growing population and needs. The money would have enabled much needed economic and commercial improvements to be made."
